A CABLE MEASURE.

Senator Hale Preparing a Bill for a
Hawaiian Cable.Chicago, Dec. 5.--A special to
a local paper says: Senator
Hale's project, which had its
origin at the last session, for the
establishment of a cable line be-
tween this country and Hawaii,
under government control, is to
be pushed onward again this win-
ter, and, it is believed, with a
chance of success.The original proposition passed the
Senate in the consular and
diplomatic bill, but was left out
in the House on account of the
president's animosity, a senti-
ment that developed, it is alleged,
out of the criticism passed upon
the executive in connection with
the Hawaiian situation. Senator
Hale has prepared a new bill,
which he will introduce at an
early date. It is learned that
the Hawaiian Government, desirous
of the establishment of this
cable connection, has guaranteed a
subsidy of \$40,000 a year. This
makes the prospect of enacting a
new measure more favorable than
ever.It is the determination of the
friends of the movement that this
government shall absolutely con-
trol the project, but owing to the
subsidy granted by the islands
the scope of the bill will be mod-
ified in such a way as to provide
for a subsidy and line not built by
the government, but at the dis-
position of the United States at
both ends.
